Required Information

Course Title:

Training Provider:

- (1) The name under which the training provider conducts or intends to conduct the training;
- (2) name, address, telephone number of the person conducting the course;
- (3) the type of course for which approval is requested;
- (4) a list of any other states that currently approve the training course;
- (5) a course outline showing topics covered, the amount of time given to each topic, the amount of time given to each type of hands-on training and the length of the training day;
- (6) a copy of the course manuals for instructors and students, including all printed material to be distributed in the course:
- (7) a description of teaching methods to be employed, including description of audiovisual aids to be used:
- (8) a description of the hands-on training, including the facility to be utilized, including protocol of instruction, number of students to be accommodated and the number of instructors:
- (9) a description of the equipment that will be used in both classroom lectures and in hands-on training;
- (10) a description of the background, training, and experience of the faculty providing the training, including instructors' names and qualifications;
- (11) an example of the written examination to be given showing the standard length and format along with required passing score;
- (12) a detailed statement about the development of the examination as used in the course;
- (13) a list of the fees required;
- a sample copy of the written documentation given to course participants upon successful completion of the course;

- (15) an example of the numbered documents of accreditation issued to students who attend the course and pass the examination; and
- (16) any additional information or documentation as may be required by the commissioner to evaluate the adequacy of the application.

Note: Please see Sec. 20-440-7 "training curriculum" for the (6) six asbestos disciplines.

RENEWAL INFORMATION:

- ?? No changes: training course to be provided as per last approval submission.
- ?? Changes: since previous approval with appropriate documentation submitted for review.
